

# SAMPLE — Placement Cell Information Brochure

This is a SAMPLE document created only to test the RAG chatbot pipeline. Replace this file with your actual college document before using the chatbot for real answers.

## Eligibility Criteria

Students must have a minimum CGPA of 6.5 with no active backlogs at the time of the placement drive. Branch-specific drives may set a higher CGPA cutoff, which will be announced at least one week before the drive.

## Registration Process

Students must register on the placement portal at least 3 days before a company's scheduled visit. Late registrations are not accepted under any circumstances. Each student may sit for a maximum of 2 companies per week during peak placement season.

## Placement Process Rounds

- 1 Round 1: Online aptitude and technical assessment (60-90 minutes).
- 2 Round 2: Technical interview, focused on core subjects and projects listed on the resume.
- 3 Round 3: HR interview covering communication skills, career goals, and cultural fit.
- 4 Some companies may include an additional group discussion or coding round before Round 2.

## Companies Visited Last Year (Sample Data)

| Company   | Role               | CTC (LPA) |
|-----------|--------------------|-----------|
| TCS       | Software Engineer  | 3.6       |
| Infosys   | Systems Engineer   | 4.0       |

## Placement Policy on Multiple Offers

Once a student accepts an offer above 6 LPA (the 'dream offer' threshold), they are debarred from sitting for further placement drives that season. Students who accept an offer below this threshold may continue to participate in higher-package drives, but must forfeit the earlier offer if selected.
